## Route 3 - Trip around Loosdrecht (5 hours)

For the long adventure you can sail the trip around Loosdrecht. This long route through two "sluices" (sluis) and different mills is ideal for a day trip on the Loosdrecht Lakes.

Note: the waiting times may vary, first consult the sluices website before you start the trip. You will have to wait about 20 minutes per sluice. On busy days, the waiting time can be up to 1 hour.

Tip for the sluice: do not fasten the boat too tightly, this may cause the boat to rise /lower with the water.
